STOP CORONA VIRUS

Introduction: According to the WHO, coronavirus outbreaks have already been hit by numerous countries in past 100 years.

- Technology Industry: Apple is no longer a billion dollar industry.
- Restaurant Industry: This is the worst hit industry due to job losses and closing up.
- Disaster: For small business.
- Disrupt on future: new jobs are there to support on future.
- Very high potential of the coronavirus from these areas during this pandemic.
- Spreads in the symptoms and the life are affected.
